Song Fest Group Spots Announced

Floyd Agostinelli, Anaconda, Newman club president, has asked that the song-fest participating groups arrive at the Union about 4:45. Spurs will direct the groups to their proper unit seats in the audience.

The living groups, in order of appearance, songs to be sung, and number of students participating, will be:

Kappa Kappa Gamma, "Johnny Fedora and Alice Blue Bonnet," 40; North hall, "Strange Music," 9; Sigma Chi, "Halls of Ivy," 12; South hall, "How High the Moon," 20; Alpha Chi Omega, "Down by the Station," 26; Sigma Alpha Epsilon, "Sleep," 8;

Delta Delta Delta, "You'll Never Walk Alone," 50; Alpha Tau Omega, "There Is Nothing Like a Game," 20; Delta Gamma, "Bye-o," 55; Theta Chi, "For You," 25; Alpha Phi, "Indian Summer," 40; Sigma Kappa, "Dancing in the Park," 30; and Sigma Nu, "Halls of Ivy."

Each group may use a piano and song leader, Agostinelli said.

The judges, Norman Gulbrandson, assistant professor of music; George Hummel, instructor of music; and A. L. Kadlec, veteran's adviser, will judge the songs on the following points:

Tone will be given a total of 50 points subdivided into quality, naturalness, and balance, 10 points each; and blend, color, quantity, and control 5 points each.

General effect will be given 50 points subdivided into spirit, 20 points; stage deportment, personal appearance, 10 points each; and convincingness and posture, 5 points each.

A traveling trophy will be awarded for the first place men's division and first place women's division. Last year's winners were Delta Gamma and Sigma Chi.

WORLD NEWS IN A NUTSHELL

(By United Press)

The Allies are making limited withdrawals under strong enemy pressure on the east-central front in Korea.

General Omar Bradley said the future of the Korean war hinges on the outcome of the current Communist offensive.

Republican Senator Styles Bridges of New Hampshire attacked the Administration's policies in Korea. It is "stupid," he said, to believe the United Nations can kill enough of the 450,000,000 Chinese to force them out of the war.

PLANS, SUPPER FEATURED AT SCA CABINET MEET

A cabinet meeting of the Student Christian association will be combined with a supper from 5 to 7 p.m. tonight in the School of Religion home, 510 McLeod.

The Rev. Clara C. Wood, associate director of the religion school, said the purpose of the supper-meeting is to plan the development and co-ordination of the various committees of the SCA.

Musical Spring Evening Planned by Clubs Tonight

Three organizations will sponsor musical programs tonight. The Newman club, Phi Mu Alpha Sinfonia, and Mu Phi are each presenting a musical event.

First will be the Newman club song fest, to be presented in the Student Union auditorium at 7 p.m. The song fest will feature the fraternities and sororities at MSU, each group presenting one number sung by a small group.

Postcard Drive Starts Today

ASMSU's postcard drive gets underway today.

The drive, an attempt to lure prospective students to MSU, involves the use of ASMSU-purchased postcards by the student body, to be sent by them to graduating high school seniors and other prospective students.

Spurs will type the addresses on the cards, which can be picked up from 1 to 3 p.m. in the Student Union, or at the business office. The women's service organization will take care of mailing the cards.

Central board appropriated \$50 for the program, in an attempt to add a personal touch to the University's enrollment drive.

Marcus Daly Relics Donated to MSU By James Gerard

BY ELLIE FISHER

A handsome coach and sleigh from the 1890's now sitting behind the journalism school, are from the late Marcus Daly estate in Hamilton.

Brought from storage in the east bleachers of Dornblaser field to make more room during the Interscholastic meet, the antiques will be returned and remain there until the legislature appropriates funds for the building of a museum.

The coach was a specially-built buggy for the Daly family. For over fifty years, the coach and sleigh were stored in the mansion's barn located near Hamilton. James W. Gerard, son-in-law of James W. Daly, donated these and other antiques to the MSU museum for the perpetuation of the Daly estate.

Daly, a multi-millionaire, owned many famous race horses and entered them in races in Kentucky and Maryland. A racing sulky used by him is in the museum in the journalism building. Pictures of his prize-winning horses adorned the walls. Also, there is an elaborate side-saddle used by Mrs. Daly.

A huge walnut bed and dresser from the Daly mansion, imported from France, has a corner in the museum. It is handcarved and heavily ornamented. The dresser has a maple top.

Daly, an Irishman, developed copper and silver mines in Montana. He established the Anaconda Silver Mining company in 1881 and the Amalgamated Copper company.

Civil Service Summons Geographers

The U. S. Civil Service commission is accepting applications for geographer positions in various federal agencies in Washington, D. C., and vicinity, according to information received by the news service. Salaries range from \$3,825 to \$10,000 a year.

To qualify, applicants must have completed a four-year college course which included or was supplemented by courses in geographic subjects, have had four years of technical experience in geography or closely allied fields, or have had any combination of such education and experience. In addition, applicants must have had from one to three years of professional experience in the field of geography. Appropriate graduate study may be substituted for as much as two years of the professional experience, and no written test is required.

Interested students may secure information and application forms may be secured at all first and second class postoffices, from Civil Service regional offices, or from the U.S. Civil Service commission, Washington 25, D. C. Qualified persons are urged to apply at once.

Social Work Department Opens Doors Next Fall

Next fall the program of the recently established department of social work will get under way. The program will provide four quarters of professional social work education at the graduate level, leading to a professional certificate, and a social science concentration with a major in social welfare for undergraduates.

John A. Harris, associate professor of social work, will be chairman of the department.

The long-range, over-all objective of the department is to provide a co-ordinated program of instruction, research, and service which will most adequately meet the social work needs of the intermountain region in general and Montana in particular.

Social Education

Professional social work education is entirely at the graduate level. It involves an integrated combination of classroom and field instruction. Field instruction is carried on in selected social agencies by agency staff members who themselves are professionally trained. Normally, six quarters of work are required for a Master's degree. The social work department offers a curriculum covering the first four quarters of the full professional program.

Field work is an integral part of the professional curriculum and

The Sinfonia dance band will take over at the conclusion of the song fest, entertaining until 9 p.m., when the contemporary music concert will begin.

The contemporary music concert is sponsored by Phi Mu Alpha Sinfonia as part of its yearly activities to promote music on the campus. The concert will feature two compositions by MSU students, one of them by Judson Maynard, Townsend, the other by Monroe DeJarnette, Missoula.

Other selections include "Swiss Boy Duet," featuring Douglas Kuster, Hamilton, and Fred Nelson, Missoula, trumpetists, accompanied by Judson Maynard; "11:37 P.M." by Paul Abel of the University music faculty, performed by brass quartette; "Polka From Golden Age" by Shostakovich, played by the brass choir; two songs by Pat Fraher, Mobridge, S.D.: "Lullaby" from the Consul, and "Spring Song of Robin Woman" from Shanewis; three songs by George Lewis: "Now Through Night's Caressing Grip,"

"Pale Blue Slippers," "Love Magic"; "Sonata for violin and piano," played by Eugene Andrie, violinist, accompanied by Lorraine Andrie; "Night Soliloquy," played by Betty Bee Young, Lewistown, flutist, Judson Maynard conducting; "Mosquito Serenade," Hal Herbig, Missoula, conducting; and "The Winner's Passed," Hal Herbig, oboe, with Don Herbig, Missoula, conducting.

Sternhagen's Condition Still Serious

Dr. H. M. Blegen, Jr., said yesterday that Donald Sternhagen's condition is still "serious." Dr. Blegen, Sternhagen's physician, reported that Sternhagen's legs are still paralyzed, but that he is conscious and able to talk. His morale is good, Dr. Blegen said, but no visitors are allowed to see him except his immediate family.

Sternhagen, MSU music student, was shot in the neck, the bullet lodging near his spinal column, when he answered the screams of Joan Hovde, KGVO employee, when Harold Carpenter, Butte, was in her apartment with a gun. Carpenter shot Miss Hovde through the chest, shot Sternhagen when he came into the room, and then killed himself. Miss Hovde and Sternhagen are both in St. Patrick's hospital.

Mu Phi Installs New Officers at Monday Meeting

Mu Phi officers were installed and new members initiated at a banquet Monday night at the Montmartre cafe.

Peg Mitchell, Helena, was installed as president succeeding Betty Bee Young, Lewistown. Other officers installed were Pauline Oberg, Twin Bridges, vice-president; Stella Critelli, Billings, secretary; Virginia Balkovetz, Twin Bridges, treasurer; Gladys Lewis, Twin Bridges, historian; and Kaye Millons, Great Falls, publicity chairman.

Initiates were Pat Fraher, Mobridge, S. D.; Mora McKinnon, Butte; Leta Dickinson, Kalispell; Barbara Dickinson, Helena; Eva Tetrault, Missoula; Genevieve Welch, St. Ignatius; Jane Valentine, Conrad; Joan Kimball, Hysham; Betty Rumph, Broadus; Katherine Hetler, Missoula; and Donna Skor, Helena.

MSU School May Reduce Staff Members

"The School of Religion may have to go back to using one faculty member next year if about \$4,000 is not raised by the end of this year," said the Rev. Bruce K. Wood, director of the Montana School of Religion.

"This has been the first year that two members have been on the faculty," the Rev. Wood said. It was understood the salary of the school would be paid if donations permitted.

A second five-hour course has been added each quarter this year because two have been working here. He said that about forty-five students have taken the courses this year.

"We've been publicizing the work of the school this year to parents and other interested people as well as churches and lodges. We have received some increases, but not enough," he said.

The teaching is non-sectarian and is for the purpose of getting the student acquainted with religion. Students represent all religious faiths as well as some of no faith, he said.

The Rev. Wood said that the director is responsible for the extra religious activities and the student religious council which is interfaith. The Student's Christian association has come out of this year's work.

Because it is a religious school, no funds are received from the state to support the school. All funds must come from contributions, he added.

CORRECTION

Editorial...

'Hoover Commission' for Store Board?

As a result of the discussions of Store board that have taken place in these columns, I draw these conclusions:

It would be advisable for a "Hoover commission," such as Dean Herbert Wunderlich has suggested several times, to review the Store board government with an eye to possible revision.

At this point, let me clear up a few items. The Kaimin is not engaged in a "witch hunt." We have said that Store board has not received proper attention from the students, Central board, or the members of Store board themselves. We have tried to get at the reasons for this apathy about a student business that is, as Bob Holding says, so highly important.

It can be said to the credit of the store manager that he has the explicit confidence of both the student and University auditors.

Again, I say we are not persecuting anyone. We are attempting to repair a situation that has caused much distrust and malice on the part of the student body. We are attempting to make Store board more closely responsible to the students so that the distrustful feelings the students entertain may be resolved.

We have suggested that Store board assume a position subservient to Central board so that final responsibility would be centered in one area. Holding says that under existing corporation laws, it would be impossible to construct the student store government along those lines without a re-incorporation. That could, nevertheless, be a consideration for a "Hoover commission."

There are practices that could begin immediately, however, that would serve to close the gap between the students and their student store. Self-disciplinary actions, such as the following, by Store board would help considerably:

- (1) Meeting monthly.
- (2) Requesting attendance by written letter to all members. Placing meeting notices in the Kaimin. Allowing a Kaimin reporter to cover the meeting.
- (3) Filing copies of the minutes of each meeting with the ASMSU president, the student and University auditors, the dean of students, and the Kaimin editor.
- (4) Delivering a quarterly report, concerning both financial and policy matters, to Central board. (I repeat that in the past three years, there has never been a report, financial or otherwise, presented to Central board from Store board. Yet, that would be the logical way to report to the students—a report to the student government and delivered at an open meeting covered by the student newspaper.)

These are not unreasonable requests but they could help bring focus of attention and understanding to the student store. Members of store board, recognizing that they were part of a body of public servants and subject to public survey, would doubtless assume their duties with more careful thought.—D.W.

Sponsor Corps to Present Ribbons

The ROTC Sponsor corps will meet today at 5 p.m. in the ROTC building. Ribbons will be awarded to each member who has served with the group for the past year.

Return of Supplies Urged by Lyons

Do you have any ace bandages, crutches, rib splints, back supports or metal splints around? If you do they may belong to the Health service.

Students who have borrowed articles from the Health service during the school year should return them as early as possible, Dr. C. R. Lyons, director, said.

A list of students who have checked out these articles is posted on the Health service bulletin board.

MISS MONTANA COMMITTEE TO HAVE PICTURES TAKEN

The Miss Montana committee will meet in the Sentinel office at 3 p.m. today. Yearbook pictures will be taken.

MSU's First Skyline Diamond Squad...

Montana Grizzly diamondmen of 1951 from left to right, front row: Gene Carlson, Bob Byrne, Hal Sherbeck, Don Olson, Bill Doucette, Bob Artz, Don Bross, Steve Hucko. Back row: Russ Clark, Ted Greeley, Jim Murray, Arne Jacobsen, Bob Luoma, Dick Hansen, Bob Keyser, Bo Laird, Coach Eddie Chinske, Red Johnson, and Manager Harry Fuhs. Missing from the picture is Jim Martin.

Grizzly Baseball Squad Ends First Skyline Series

With the 1951 baseball season in the record books, the Montana Grizzly baseball team showed an unimpressive record in the win and loss columns in their first year of Skyline Eight play.

The Grizzly season record is three wins and nine losses in conference play and three wins and two losses in practice games with the Bonner Collegians.

In the conference the Silvertips started with a twin bill at Provo with the BYU Cougars. They lost the opener, 8 to 4, but came back the second game to win 10 to 6. The following week end they made their first home stand of the season against the Utah State Aggies, whitewashing the Utags in the first of two games, 13 to 0. They won the nightcap 2 to 1.

Redskins Scalp Grizzlies Here
Because of a conflict in the schedule, the Grizzlies played the Utah Redskins here the following

Grizzlies Leave for Final Meet

The first contingent of the Grizzly track squad left this morning for Salt Lake City for the Skyline all-conference track meet today and Saturday. A second group will leave tomorrow by train and will join this morning's group along with the members of the team who remained in Utah following the dual meet with University of Utah and the western vision meet at Logan last week. Coach Harry Adams announced that men who will participate in the final Skyline track competition this year will be: John Badgley, Gene Brennan, Jack Coppedge, Don Cross, Mike Fleming, Jack Luckman, Gene Luckman, Hal Maus, Bill McLesney, Bill Reynolds, Bill Rife, Bob Ripke, Jack Rothwell, and George Tarrant.

Grizzly Netmen Drop Final Match

The Utah university tennis team defeated the Grizzlies Monday 7 to 2.

The series opened Friday and Utah won all three matches played at day; two singles and one double.

On Monday, the Utes won the four singles matches, but lost both the doubles.

Summary:
Singles—Glade, Utah, defeated Ogler, MSU, 6 to 0 and 6 to 0; Bennett, Utah, defeated Kramer, SU, 8 to 6 and 7 to 5; Warner, Utah, defeated Densmore, MSU, 6 to 1 and 6 to 1; and Anderson, Utah, defeated Sparks, MSU, 6 to 0 and 6 to 1.

Doubles—Nogler-Kramer, MSU, defeated Glade-Cooper, Utah, in a straight match, 4 to 6, 6 to 1, and 10 to 8; Sparks-Densmore, MSU, beat Stavoson-Asin, Utah, 7 to 5 and 6 to 7.

Utah State Aggie basketball prospects have been working out in spring drills. In other words, spring basketball will soon be a partner of spring football.

SOFTBALL

All intramural softball managers are to check the intramural bulletin board for tournament drawings each day, according to Dave Cole, intramural director.

TENNIS

Drawings for the intramural tennis tournament are posted in the inner hall of the first floor of the Men's gym. All group intramural managers are urged to check there every day for drawings, according to Cole.

TRACK

Time trials for the intramural trackmeet will be run off today for those participants who were away on university sanctioned trips when the initial trials were held.

Frank Milburn, head football coach at MSU from 1926 to 1930, has been promoted to lieutenant general in the United States Air Force.

Frosh Netmen Win at WSC

Freshman tennis stars Dick Fletcher, Billings, and Dick Solberg, Missoula, went to Pullman last week to play the four-man Washington State college freshman team on Saturday and Sunday. When the balls stopped flying Fletcher and Solberg had whitewashed the Washington team, 6 to 0.

Saturday, Fletcher, former Interscholastic champion, defeated Kirk Douglas, 6 to 2 and 6 to 3. Solberg downed Irving Berg by identical scores. The two beat Douglas and Berg in a doubles match, 6 to 1, 6 to 2.

Sunday, Solberg won from Dick Morton, 6 to 2, and 6 to 0. Fletcher downed Al Byrne by the same score. They combined again, and beat Morton and Byrne by the same score that they had defeated Douglas and Berg Saturday, 6 to 1 and 6 to 2.

The Interscholastic's oldest record yet standing is W. Custer's 12 foot, 8 inch pole vault mark set in 1930.

The Mercantile

week instead of in Salt Lake City. But the home diamond didn't prove to be successful as the Redskins downed the Grizzlies twice, 8 to 7, and 17 to 7.

Starting the second go-around of play the Silvertips entertained the BYU Cougars on Campbell field. They again lost a twin bill, 18 to 4, and 9 to 5. Two weeks ago the Grizzlies ended their home stand of three weeks and traveled to Logan for their second double-header with the Utah Aggies. At Logan they ended a four game losing streak by edging the Aggies in the first game 9 to 7. In the second game, however, the Grizzlies were put down for a second time by Aggie pitcher Jim Eardley, 8 to 1.

Last week in their final conference games the Bears dropped another double-header to the Redskins at Salt Lake City, 9 to 6, and 12 to 5.

Grizzly Coach Eddie Chinske doesn't give any excuses for his team's failure to win more games.

In the early part of the season, the Grizzlies lacked hitting, but as the season developed they gained in hitting prowess. Hal Sherbeck, Grizzly shortstop, went hitless his first 19 times at bat, but after that he continued to improve steadily. Bob Byrne was the big sticker for the Silvertips most of the season. He hit in every game.

Weak in Fielding

In the fielding department the Grizzlies were weak. They committed errors in several games that proved to be the deciding factor.

Chinske was minus pitching this season as he carried only four pitchers most of the season. Gene Carlson and Dick Hansen handled most of the starting assignments, while Clare Johnston and Arne Jacobsen did most of the relief hurling.

Although the Grizzlies lost quite a few games, they gained much experience in their first Skyline play, Chinske said.

Next season, this year's team, except Don Bross, Russ Clark and Bill Doucette will be back barring the draft situation or dropping out of school.

Favorites in Softball Tourney Are Jumbo Hall, Sigma Nu

With the intramural championship softball tournament under way, the favorites to meet for the championship will most likely be the two teams that placed on top of league A and league B in the round-robin schedule. In other words the Sigma Nus, who took the league A crown, and the Jumbo hall squad that walked away with the league B diadem.

Jumbo went undefeated in league play and is defending the championship it has held for three successive seasons. The mainstay of the residence hall crew is its fast-ball chucker, George Jurovich, Bridger. Jurovich also hits a long ball, especially in the clutches. Jumbo has met tough competition twice in league play from the Phi Deltas and the Independents.

Jumbo Edges PDT

Jumbo narrowly edged the Phi Deltas in the last league contest, 4 to 3. The Independents succumbed a little easier to the Jumbo attack as the Jumboites downed them 16 to 7.

The Sigma Nus, on the other hand, experienced trouble in coming out on top in their league. They dropped a thriller to the Theta Chis 7 to 8 because of erratic field play and inconsistent plate work. The inconsistent field play has been evident all season in the Sigma Nu's games. Their hitting attack is what gave them the league championship. Like Jumbo, the Nus' big bat is their pitcher, Ralph Ripke, Missoula, for when he hits, he hits 'em a long ways. South Hall and the Phi Sigs were beaten by the Nus early in the season, but since then they have both improved and have delivered upsets. South beat the second place SAE's 5 to 4 and a flip of the coin be-

tween the two teams gave South second place in the tournament drawings.

SAEs Score Runs

The SAEs pack big bats also, for in seven games in league competition, they have crossed home plate with 124 runs.

When it comes to runs the Delta Sigs and the APOs had a little slugfest last week, and when the dust of the trackmeet-like-softball game cleared, the score stood 33 to 22 in favor of the DSPs for a new intramural run record.

Here are the final league standings:

League A	Won	Lost
Sigma Nu	6	1
South Hall	5	2
Sigma Alpha Epsilon	5	2
Phi Sigma Kappa	4	3
Theta Chi	3	4
Kappa Psi	3	4
Corbin Hall	2	5
Sigma Phi Epsilon	0	7
League B	Won	Lost
Jumbo Hall	7	0
Independents	6	1
Sigma Chi	5	2
Phi Delta Theta	4	3
Forestry Club	3	4
Delta Sigma Phi	1	6
Alpha Phi Omega	1	6
Alpha Tau Omega	1	6

Jumbo Hall Rally Dumps Phi Sigs

Overcoming the Phi Sig lead in the third inning, Jumbo hall sluggers slammed their way to their first tournament win, 16 to 12, yesterday afternoon in the Clover bowl.

The Greeks started the base-path parade in the top of the third inning when they added six counters to their lone second inning run. Then the Jumboites lowered the boom for 14 runs in the remaining innings, to take a lead which was never seriously threatened the remainder of the game.

George Jurovich settled down after the initial three innings to limit the Phi Sigs to 10 hits. The Phi Sig chucker, Denny Weir, gave up only eight bingles.

The running score: R H E
PSK 016 104 0—12 10 9
Jumbo Hall 117 250 x—16 8 5

INDEPENDENTS ELIMINATED

Phi Delta Theta smashed their way to a 17-to-7 win over the Independents yesterday in the intra-

mural softball tourney. The I eliminated the Independents at the win for the Phi Deltas to set them against the SAEs.

Last-Inning Rally Saves Sigma Nus

Sigma Nu rallied in the bottom half of the seventh inning last night for five runs against the SAEs to make up the 6-to-2 deficit they had marked against them at the start of the inning, and won the game 7 to 6.

With two down and men on second and first the Sigma Nu batter hit a high bouncing grounder. The SAE third baseman overthrew first in his attempt to get the batter, causing the Nu's tying and winning runs to cross the plate.

The game was all SAE until that fatal seventh.

SAEs EDGE INDEPENDENTS IN TOURNAMENT GAME

Sigma Alpha Epsilon squeezed out an 8-to-7 win over the hustling Independents yesterday and thus won the right to meet the Sigma Nus immediately afterward in the Clover bowl.

This was the first tournament game for both teams. The SAEs advanced into the winner's bracket and the Independents into the loser's bracket.

OTHER I-M TOURNEY SCORES
